your story matters.
I am. We are. Recovery.

Addiction is a chronic brain disease impacting 2.5 million New Yorkers and their families who need to know that recovery is real and possible. The Your Story Matters campaign at www.iamrecovery.com, sponsored by the New York State Office of Alcoholism and Substance Abuse Services, is dedicated to the individuals who are leading productive, healthy and fulfilling lives in recovery. By sharing these stories of recovery, New Yorkers will know there is hope and help for alcoholism, drug abuse and problem gambling. Share your story. Inspire hope. It matters.
